Guided Tour through the historic mill

The impressive, 100-year-old milling facility extends across three floors right to the roof. There are various machines everywhere. Wheels turn, straps hum; everything shakes and vibrates. During the one-hour tour with our miller, the children experience first-hand what it takes to produce one of the most important products of our diet: Flour.

Class size: Max. 25 children und 2 accompanying adults

Grade: From 3rd to 9th

Duration: 1 hour

Flat rate: CHF 200.– (incl. admission)

For public schools in the city of Zürich, the costs of this workshop will be assumed by the Stadt Zürich Schulkultur.
